

Suspended Ministers/Teachers & Rescinded Ordinations/Licenses

Unity Worldwide Ministries is committed to supporting high standards of ethical behavior in our leaders and to ensuring that those serving as Unity ministers adhere to these standards. Regrettably, there are times in which our ministers and Licensed Unity Teachers (LUTs) fail to live up to these standards, and it is deemed necessary to remove their right to serve in leadership in our ministries. This is done by either suspending them or fully rescinding their ordination/license.
